RECOMMENDING COMMITTEE: BILL ELIGIBLE FOR ADOPTION AT THIS MEETING

Bill No. 2008-61 – Establishes electric utility service, rather than water service, as the basis for requiring a property to subscribe to mandatory solid waste collection service. Sponsored by: Councilman Steven D. Ross

PURPOSE/BACKGROUND:

Owners of unoccupied properties often discontinue water service in order to avoid paying for waste collection service. It has been suggested that tying waste collection service to electric utility service, rather than water service, will encourage such owners to maintain their water service. It is hoped that, with water service still available, property owners and owners' associations will be more likely to maintain landscaping on such properties.

RECOMMENDATION:

ADOPTION at 1/21/2009 City Council meeting pursuant to the 1/6/2009 Recommending Committee.
